

### All In

The player who draws this card either wins all the territories or loses all their territories from their opponents during battle

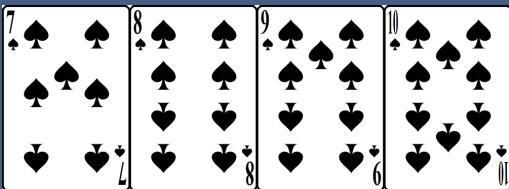

### Royal Decree

All remaining players battle each other heads up and the winner takes one territory from each of the losers. Each loser will randomly choose one health card to remove from the winners' hand.

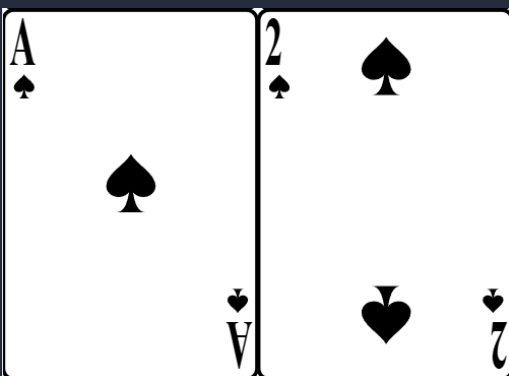

### Secret Alliance

The player who drew the card may avoid battle by allying with another country, this is done by deploying the card once someone chooses you to battle. Once the alliance is used up the player will discard the card.

### Random NPC Event

Roll a die, if the number on the face of the die is a **5 or a 6** then the player may draw either a health card or gold. (Hearts or diamonds).

### The Plague

You have been plagued! -10 points in the player's upcoming battle.
